"The Wallaville Way"

Dear Parents, Staff and Students

Random Acts of Kindness Week

Week two of next term is "Random Acts of Kindness week". Schools throughout the Bundaberg region have been invited to participate. This is being run through the School Chaplaincy Program in partnership with Bundaberg Area Schools and the Bundaberg Regional Council. The concept is to encourage students to think about the many different ways they can show kindness to others. The challenge is to do something nice for someone else without expecting anything back and to show kindness to all people, not just our friends. Our School Chaplain, 'Chappy', will be coordinating the event and he is keen to help stimulate great discussion in class rooms about the wonderful virtue we know as "kindness".

A message from 'Chappy': "As a parent or carer, you can get behind the cause and encourage this idea at home too. You never know, you might even get a few chores done around the house!"

Should you like further information there are many RAOK websites full of great ideas <http://www.youtube.com/watch?v=eu9UtVaWYal&feature=related>

School Disco

Our school disco was a tremendous success this week. What a fantastic group of workers we have in the Project Club, staff and parents. These volunteers organised, ran and packed up the disco. They did a really great job and helped to make the disco fun and safe. Thank you to the parents for letting your children and picking them up promptly. Also, I express gratitude to the staff who volunteered to supervise the afternoon and evening.

NAPLAN Reports

Individual NAPLAN reports should be made available to the school sometime this week. We intend to send them home before the holidays if they arrive in time (at the time of printing the school had still not received them).

Preliminary School results have arrived electronically this week, and these will be published in a newsletter early next term once confirmed by the Queensland Studies Authority.

Student Behaviour

With the holidays fast approaching, as a staff we would greatly appreciate it if parents help us to remind students of the school rules of 'We are Safe, We are Respectful, We are Responsible', particularly at the start of term 4. This will be a major area of focus in term four, as when the weather warms up generally students' compliance with these expectations begin to fall. Students and parents are reminded that the school rules apply to all students from Prep to Year 7. Students also are reminded to report any concerns to staff at school as soon as possible. The end of Year 'Rewards Day' will be an excursion, and student attendance will be strictly enforced based on meeting behavioural expectations our school community.

Best Wishes

On behalf of the school, we wish Ms Brodie all the best for her wedding and honeymoon. Ms Forrester will be teaching the Year 2/3 class for the first four weeks of Term 4.

To students and parents, have a fantastic break and school commences on the 4th of October.

Until Next Time

Shane Brogden
Principal

BREAKFAST CLUB

Breakfast Club will resume in Week 2 of Term 4. The cost per student per term is \$8.00 or 50 cent per serve. A serve of breakfast includes toast with a spread (jam, vegemite or honey) and a cup of milo or juice.

YEAR 6/7 – TERM 3

This term year 6/7 had a very busy term. Some of the assignments we worked on this term have included:-

Compare and Contrast Report (Comparing a written and film narrative)

Animation – Innovation of part of a story

Healthy Choice Advertisement – using ICT software of own choice

QCAT's – English, Maths and Science

Compare and Contrast Table – Use of Australian Natural Resource Prior to colonisation, after colonisation and in the future

But we didn't spend all of our time on our assignments we still had a daily routine. Basically we had English in the morning (unless we had 'LOTE') Maths in the middle session and depending on what day it was we did different things in the afternoon. But Wednesday was different because in the second session we had Music straight after lunch then after that the class split up and some went with Mr Brogden and then some stayed with a high school teacher (Mrs Thomson) to work on Literacy and Numeracy Skills. Then in the last sessions on Tuesday and Thursday we did 'Science', Monday we had 'LOTE' and on Friday (last session) we normally did sport. A fun activity we have started and will finish during term 4 was the 'CO2 Dragsters'. So that's what 6/7 have accomplished this term.

Kathryn Walker, Year 6

FROM PREP/ONE

On Thursday 1st of September the Prep/One class held a food stall which they called 'The Nice Cool Shop'. This was a culminating activity for our units of work: Technology (designing a poster), Maths (money recognition), Science (How things change- solid/liquid). The students had a great time serving their customers and selling all of our goods. We would like to thank our school community for supporting us and for being patient with the younger students. We would also like to say a very big THANK YOU to Mrs Saunders, Mrs Pugh, Mrs Wochnik, Mrs MacLennan, Mrs May, Lyn, Mrs Tobin and Mrs White for all their help on the day. We raised \$157.00 which will go toward the P-3 end of year excursion.
