Well the weather has taken a change towards winter at last! Please ensure that all jumpers being worn to school are either black or maroon as per our uniform policy. Also we have begun to see the rise in lost property – namely jumpers and hats. Please ensure students have their names CLEARLY marked on all of their property worn to school.

Road works
As you would be aware, the road outside the school has no lines at present. We have been putting witches hats out to remind parents and students where the pedestrian crossing is situated. Please remember that our students’ safety is our main concern so please watch your speed and where you are parking until lines are painted. This should be complete in the next couple of weeks.
