Our term is racing by and assessment will soon begin at Wallaville State School. Attendance is critical to ensure students have a good understanding of how they are being assessed and what is expected of them.

Road works
As you would be aware, the road outside the school has been relined…… The bus zone across the street has been turned into car parks…. However, we have lost a number of carparks at the front of the school in this process. I have been speaking with the Chief Engineer at Regional Council to ask for a reason for this. Main Roads Standard for any pedestrian closing is: no parking within 20m on the approach side and 10m on the other side. This would explain our loss of parks. This standard is put in place for the safety of our students so please ensure you are only parking in designated parking spaces.

P&C Meeting
The next meeting of our P&C association will be held in the meeting room on Monday, 5th September at 7:45 am.
All welcome.

Update details
If your child suffers from any food allergies or intolerances, please ensure that the school is aware of these. This list needs to be provided to our teachers and our tuckshop to ensure that your child remains safe and well at school. All addresses and phone numbers need to be updated when changed as we need to be able to contact parents at any time regarding their children either by phone, email or mail. The Department is introducing a ‘same day messaging service’ to all schools. This effectively will send a message to parents if their child is marked absent on the roll. For this to happen, we need details up to date.

Positive Behaviour for Learning
As you may be aware, our school is a Positive Behaviour for Learning school (formerly School Wide Positive Behaviour Support). I welcome you to take a look at our Responsible Behaviour Plan for Students on our website and become more familiar with our strategies and the implementation of this program. While all staff monitor and deliver messages to children every day regarding their behaviour in and out of the classroom, it is ultimately up to each child to be responsible for their own behaviour and actions. Physical violence against any student in our school will not be and should not be tolerated. These instances are handled in precise ways relevant to the degree and severity of the situation.

Mt Perry Dump Truck Pull
Thank you to those parents who supported their students to participate in this year’s truck pull teams. We fielded two teams this year and after much huffing, puffing and groaning, we walked away with second and third placing. This means $750 to our student council to go towards camps and excursions. This helps to keep costs down to a minimum.
YR 4/5 camp – Garapine Recreational Centre  
Final notes regarding 4/5 camp to Garapine have been sent home. Permission forms, medical forms and money need to be returned to school before September 1 so that details can be finalised.

Tallebudgera Beach camp  
Payments may be made at any time for Tallebudgera camp for year 6 students at the end of year. A total cost of $250 has been set for this camp which will run from 28 November to 2 December. More information and medical and permission forms will be sent home to year 6 students early next term.

Scholastic Book Club  
Issue 6 book club orders need to be returned to the school office for online ordering no later than Wednesday August 31, 2016. Thank you.

Mt Perry Truck Pull  
Thank you to everyone who supported the Family Fun Day, Mount Perry Dump Truck Pull. Wallaville Students did fantastic coming 2nd and 3rd place. I would also like to thank all the Mums and Dads who participated in the pull for the Chaplaincy Team, namely Fiona Graham, Anna and Lee Smith, and Hans Wochnik. Although we didn’t win, it was a great day.  
All funds plus generous donations from Evolution Mining comes back to the community to go towards Youth Suicide Prevention Programs.  
So thank you once again for your support.

Tuckshop Donations

With the reduced number of students at school, the P&C are trying to keep our Tuckshop costs and prices as low as possible. To help us achieve this we asking for donations from our school families. The following non perishable items can be dropped to the office or directly to tuckshop on Fridays. If you could supply one item once a term, it would really be appreciated. If you are unable to contribute your time, then this is a great alternative way of lending a hand. Thank you kindly.

- Small wooden skewer sticks
- Popcorn kernels
- Canola spray oil
- Dishwashing liquid
- Roll of chux cloths
- XL garbage bags
- butter or margarine
- Roll of paper towels

P&C Meeting
